A NEW GENERATION OF EXCELLENCE IN SUPER 8 MOVIE CAMERAS

Here is an exciting new line of Super 8 movie cameras brought to you by the combined efforts of two world famous photographic innovators... Argus and Cosina. These Cameras were designed to bring you the finest in precision performance, the very latest in automatic features, and the reliability of traditional craftsmanship. They are cameras that take out the fuss and put the fun back into movie-making

The fine line of Argus/Cosina Super 8 Fully Automatic Power Zoom Super 8 Movie Cameras offer you features such as:

**ARGUS/COSINA
MODEL 704**
with 4x power zoom
f/1.8 lens

**ARGUS/COSINA
MODEL 706**
with 6x power zoom
f/1.8 lens

**ARGUS/COSINA
MODEL 708**
with 8x power zoom
f/1.7 lens and
microprism viewfinder

*PUSHBUTTON ELECTRIC POWER ZOOM

Now you can zoom in for the action like a professional at a touch of a button. The Argus/Cosina power zoom system assures you of smooth zoom action everytime. And, just look at the zoom ratios available... all the way to 8 to 1 to take you in closer for the most thrilling zoom movies you've ever seen.

*FULLY AUTOMATIC CdS ELECTRIC EYE

You get perfect exposures everytime with the Argus/Cosina thru-the-lens CdS electric meter system.

*THRU-THE-LENS REFLEX VIEWING

You view right thru-the-lens so that you see exactly what you're capturing on film.

*3 SPEED ELECTRIC FILM DRIVE

You never have to stop shooting to wind. The Argus/Cosina Super 8 movie cameras offer you three filming speeds (12, 18, 24 f.p.s.) so that you can achieve those special effects.

*DROP-IN INSTANT FILM LOADING

Just open the convenient film door in the back of the camera, drop in your Super 8 film cartridge and you're ready to zoom in on all the fun.

*FOLDAWAY PISTOL GRIP

For steadier filming and convenient storage.

*ALL THIS PLUS...

single frame film advance... built-in battery tester... run-lock switch... automatic resetting film counter... ocular viewfinder adjustment... optional manual exposure control... cable release outlet... built-in type "A" filter... beautiful black and satin chrome finish.

**ZOOM IN
